

Title: Journeyman Powerline Technician / Lineman

Location: California (various locations)

ROKSTAD STRATEGIC INTENT

We are an innovative and progressive family-orientated business that excels in providing safe, reliable Transmission and Distribution services for its valued clients across North America.

SUMMARY

We are currently looking for Journeyman Powerline Technicians to work in California on both rubber glove Distribution and Transmission maintenance work. US work permits will be provided.

As a Journeyman Powerline Technician, you will under direct supervision, perform activities related to the electrical construction, maintenance, repair of energized and de-energized distribution and/or transmission power lines.

HOW TO APPLY

If you are looking for an exciting career with a fast growing, progressive company while participating in the build out of North America's electric power Infrastructure, please email your resume and qualifications to careers@rokstadpower.com or fax 1-888-310-8831. Please include the job title in the email subject line.

We thank all applicants for showing an interest in this position. Only those selected for an interview will be contacted.
