

Title: Safety Manager**Term: Permanent, Full-Time****Location: Atascadero, CA****ROKSTAD STRATEGIC INTENT**

We are an innovative and progressive family-orientated business that excels in providing safe, reliable Transmission and Distribution services for its valued clients across North America.

SUMMARY

The Safety Manager will act as a primary resource ensuring that the HSE (Health, Safety & Environment) Program of Rokstad is endorsed and complied with during operational activities. This role will communicate with local management on related initiatives and issues. The primary responsibility will be to provide support to the local team and coordinate site safety requirements so that operational activities are adequately supported. The successful candidate must have a passion for safety and for creating safe work environments for employees and must be able to thrive in a dynamic and demanding work environment

ESSENTIAL DUTIES AND RESPONSIBILITIES

- Support field staff in safe operations that meet regulatory requirements;
- Visit field sites on a daily basis, participating and conducting safety meetings, reviewing safety initiatives with field employees and conducting audit and safety reviews;
- Conduct job hazard assessments and help crews understand the importance of, and the concepts of, Field Level Hazard Assessments;
- Conduct workplace and jobsite safety inspections;
- Conduct detailed incident investigations for injuries, property damage, and near miss incidents and report on findings including identifying causal factors and corrective actions;
- Assist in the development of Safe Work Practices and Safe Job Procedures;
- Assess and ensure compliance to applicable safety legislation, and internal and customer protocols;
- Assist in the development of health and safety performance measures, monitor and report on performance;
- Work with the crew leaders in a coaching and guiding role to increase field level safety knowledge and presence;
- Attend Tailboard meetings, HSE training and orientations;
- Review Health & Safety related paperwork including tailboards, FLHA's, inspections, etc.;
- Recommend corrective actions and assist in timely implementation of corrective actions;
- Provide input and assistance for HSE Business Plan initiatives;
- Work with colleagues and our clients to complete Project Safety Plans, Hazard Assessments and Risk Registries for Critical Tasks;
- Help develop protocols for HSE Audits;
- Support the Return to Work program and processes;
- Work with internal and external stakeholders to address HSE related issues;
- Ensure that HSE Management and project management are kept informed of HSE issues in a timely manner;
- Other related duties as required.

JOB REQUIREMENTS

- Extensive working knowledge of occupational health and safety legislation and its application to the construction industry;

- Excellent communication skills (both verbal and written);
- Advanced proficiency in Microsoft Office, specifically Excel;
- Strong organizational and planning skills;
- Strong management, interpersonal, and influencing skills at all levels from the construction site to the boardroom;
- Proven skill in the development, implementation and management of HSE management systems;
- Knowledge and experience with HSE management systems and audit tools including the construction industry Certificate of Recognition (COR); OHSAS 18001 or CSA Z1000 and ISO 14001;
- Demonstrated ability to deal with conflict, able to effectively communicate ideas and be an active listener;
- Knowledge and understanding of DOT Federal Motor Carrier Safety Regulations;
- Strong trend and data analytical skills to drive program and process changes;
- Proven problem-solving skills with the ability to visualize and deliver creative solutions;
- Extensive knowledge of OSHA and other applicable federal, state and local safety regulations and standards;
- Valid driver's license.

EDUCATION, EXPERIENCE AND/OR CREDENTIALS

- Degree in Health and Safety or Environmental Health and Safety (EHS) Management;
- Certified Safety Professional (CSP), Canadian Registered Safety Professional (CRSP), National Construction Safety Officer (NCSO) or other applicable qualification/designation;
- Minimum 5 years of directly related experience;
- Some line work experience is desired;
- Strong claims management experience;
- Knowledge of HSE regulations, codes, practices and standards;
- Experience in the electrical construction trades industry an asset.

WORKING ENVIRONMENT

- Willing to travel and work in remote locations for extended periods;
- Safety equipment will be required, e.g. steel-toed safety boots, safety glasses/goggles, etc.;
- Hazards associated with the trade;
- Work both indoors and outdoors.

CORPORATE COMPLIANCE RESPONSIBILITIES

We care about our internal and external customers – loyalty is earned.

- Listen, and listen more, to better understand – you get excited about opportunities to help others.
- Own customers' challenges to deliver unique solutions – you recognize that it's our privilege to serve customers because without "them," there is no "us."
- Focus on what is "important" as opposed to "urgent" – you focus on the big picture rather than getting lost in the details.
- Express thanks to those who help us constantly improve – you recognize and embrace constructive criticism.

We strive for safety excellence – practice safety within the workplace, our homes, and at play.

- No compromise on safety – make safety a thought, an action, a cornerstone belief in everything you do.
- Live safely for yourself, your team, and your family – you work together to ensure safety for all.
- Learn and improve from past experiences – lessons learned fuel our future successes.

We create a great workplace by filling it with spectacular people – set expectations high, have fun, and celebrate our successes.

- Succeed through professional and personal growth – take ownership of your own success.
- Always be a Rokstad ambassador – take pride in opportunities to share your beliefs, learnings, strengths, and ideas.
- Respect the unique contribution that every employee brings to the table – be open to learning and growing from employees who move Rokstad forward and help you achieve more.
- Place importance on effectiveness rather than effort – work smarter, by being conscious of your current levels of productivity, health, and happiness.

We take pride in what we do – how we show up is important.

- Be part of the solution – you problem solve rather than complain, gossip, or cut others down.
- Know when to lead, know when to follow – check your ego at the door.
- Pursue improvement ... relentlessly – you make continual changes to grow.
- Strive to achieve the best results – you have higher expectations of yourself than Rokstad has of you.
- Embrace change – you understand that markets change, competition changes, and technology changes.

We stand among the very best – doing it right makes our reputation even stronger.

- Act in Rokstad's best interest – as though you are an owner.
- Say what you mean, mean what you say – One dishonest action can ruin a lifetime of goodwill.
- Demonstrate trust in order to gain trust – an honest day's work for an honest day's pay.
- Lead by example – you recognize that your actions are always being observed, and actions speak louder than words.
- Seek first to understand before seeking to be understood – you avoid drawing ill-informed conclusions or assumptions.

We respect our position in the broader community – act in accordance with our culture and values.

- Build and support the communities where we work and live – make the world cleaner, safer, and more interesting.
- Care for and respect our environment – promote environmentally sound practices throughout every aspect of our business.
- Create a culture of inclusion built on trust, respect, and dignity for all – build teams that capitalize on the diverse talents of all employees.
- Explore opportunities to grow and develop positive relationships with First Nations – create mutually beneficial partnerships.

COMPENSATION

Rokstad offers a competitive compensation and benefits package which will be commensurate with experience and education.
